CROSSFIELD, ALBERTA, CANADA, THURSDAY, JUNE 27TH 1940

5 CENTS A COPY

## LOCALS

J. C. Tack of Dog Pound is sporting a new chevrolet truck.

School will close for the summer vacation tomorrow, Friday.

McCaskill Bros. gave the exterior of the United Church parlor its finishing coat of paint last week.

Born to Mr. and Mrs. R. A. Jamieson of Calgary, on June 18th, a son.

The Board of Trade are holding a dance in the U.F.A. Hall on Monday night, July 1st.

Monday, July 1st, is Dominion Day. Wickets at the Post office will be open from 10 to 11 a.m. only.

Mrs. Pogue is in the General Hospital, Calgary, convalescing after a throat operation on Monday last.

Mr. and Mrs. E. Sharp were recent visitors at Pine Lake, making use of their motor boat to enjoy fishing in the Lake.

Writing to George Lim from Camp Shilo, Manitoba, Bud McCaskill states he is well and wishes to be remembered to friends here.

The music pupils of Mrs. E. W. Hoover are giving a recital for their mothers and friends, on Friday afternoon in the United Church.

Miss Helen Nuefeld and Miss May Wraight of Calgary were week end visitors at Crossfield, guests at the Nuefeld home.

Clarke McMillan started work this week in the local Bank, where he will be employed during the summer holidays.

The Red Cross executive wish to express their appreciation to Mrs. Cowling and to the Floral U.F.W. A. for their kind donation of blankets.

Mr. W. E. Spivey, who has been quite ill at his home for the past ten days, is reported to be making satisfactory progress toward recovery.

There's money in bones—we are informed that a local man made a trip out west recently and gathered up a load of bones for which he secured the sum of \$14 in Calgary.

A Clydesdale and Shorthorn Field Day will be held at the Dominion Experimental Station, Lacombe, on Saturday July 6th. Coffee, tea, cream, sugar and cups provided. Bring your lunches.

Mr. and Mrs. C. Fox and Gordon accompanied by Mrs. A. E. Edlund and Mary Karen, left by motor this morning for a holiday to Banff and down through the States to Seattle and other coastal points.

Mr. and Mrs. P. H. Fleming and family were visitors at Banff on Sunday, attending the C.P.R. picnic for war veterans employed in the service. About 375 were in attendance.

Mr. W. K. Gish and Mr. T. Tredaway recently made a survey of the district schools to get an idea of the approximate number of new students who will attend the Crossfield school next term. Although no figures are available, they found that there will be quite an increase for the opening this fall.

## Before a Strange Adventure Started

They're back in England after having gone to France only to hurriedly return without having seen a German or firing a shot, but in this photo just received by transatlantic Clipper, members of the 48th Highlanders are shown at a machine gun in their training camp as the King and Queen made their final inspection tour a few days ago. The Queen is watching the gunners with interest while His Majesty chats with Major-General A. G. L. McNaughton, Divisional Commander, as the story of the Canadians' move to France is now being told, it appears that they escaped the German encircling move by a margin of only two hours.

## Joint Installation Of Maccabees

A joint public installation of Maccabees took place in Carstairs on Monday evening, June 17, when Carstairs Tentive No. 4 and Crossfield Tentive No. 12 were installed in an impressive ceremony presided over by Provincial Commander J. S. Green as installing officer.

Officers installed for Tentive No. 12 were: Past Com. Irene Hesketh; Commander, Alice Pullan; Lt. Com. Ernest Kinsey; Chaplain, Anne Cameron; Record Keeper, Anna McCool; Capt. of Guard, Tunis Robinson. Others holding office are Helen Willis, Ernest Tweedale, Hazel Sackett, Ralph Brandon, Ruth Fike, Walter Harris, Mildred Metheral and Albert Sharp.

Anyone who can take refugee children for the duration of the war are asked to get in touch with T. Blaine, Superintendent of Child Welfare, Edmonton, or the Rev. A. D. Currie. Applicants are asked to state whether it is a Protestant or Roman Catholic home so that children can, in as far as possible, be placed in homes in accordance with their religious faith.

## LOCALS

Rains of the past few days will be of great benefit to growing crops and proved a boon to housewives of the village by settling the dust on the newly graded streets.

At the conclusion of United Church choir practise on Wednesday night, their members were joined by their husbands and friends in a delightful social evening in honor of Mrs. Hunt, who has been the choir leader. An enjoyable sing-song was followed by delicious refreshments. Mrs. P. H. Fleming on behalf of the choir members thanked Mrs. Hunt for her unflinching devotion to the work of the choir and Mrs. E. W. Hoover presented her with a rose satin bedspread.

The marriage was announced recently of Stuart Marie (Anne), youngest daughter of the late Mr. and Mrs. James Robertson of Crossfield, to Mr. Gordon Angus Robertson, eldest son of Mrs. David Robertson and the late Captain David Robertson of Wellington, New Zealand. The marriage took place at St. Mary's Cathedral, Sydney, Australia, on May 15. —Calgary Herald.

## New School Plans

### Near Completion

Plans and specifications for the new school building for Crossfield will soon be ready. The building, 42x25, with a full basement, will when completed be a splendid addition to the present school. Considerable new equipment will be purchased and ready for the fall opening. The Board expect it will only be a short time now until tenders will be called and work commenced on the building.

Mrs. A. Emery, who recently resigned as teacher in the local school, a position she has held for the past eight years, left today to join her husband at Victoria, B.C. where they will make their home. Mrs. Emery will be missed by a wide circle of friends.

The Earl of Athlone, Canada's new Governor-General, and Princess Alice, Countess of Athlone, reached Ottawa last Friday, and Lord Athlone was sworn in immediately he arrived. Princess Juliana of Holland, and her children, will be their guests for the duration.

## Crossfield and District Enlistments

The following list is made up of those who have enlisted from this district to date. Anyone knowing of enlisted men whose names have been omitted, are asked to notify F. Mossop, secretary of the local branch of the Canadian Legion, giving the name and unit if possible. The Legion is anxious to have a complete record of all who enlist from this district.

A. Laut,	I. Wylie,
H. Seville,	V. Major,
J. McClelland,	Max Grant,
Ralph McCadyen,	Boyd Miller,
Bud McCaskill,	A. Brown,
J. Leask,	V. Brown,
A. Shepherd,	C. Jackson,
D. Cameron,	W. Grant,
W. Russell,	O. Fike,
T. Fieldhouse,	F. Moen,
S. Swietzor,	R. Shantz,
K. Gilchrist,	N. Tweedle,
L. Sharp,	

## Anglican Congregational Picnic At Bowness

The Anglican congregational picnic was held at Bowness Park on Wednesday last, a great number of the congregation being conspicuous by their absence. However, those who went enjoyed every minute of it and stated it to be one of the best picnics they had ever held. It was a glorious day for a picnic and the children enjoyed swimming, playing clock golf, and the merry-go-round—as did some of the grown ups too. Supper was served in the corner of one of the picnic pavilions. The start for home was made about eight o'clock and all arrived home tired but happy.

Many thanks are due to Messrs. Tredaway, Reeves and Huston for their cars, and to Miss Winnifred Tredaway, Mr. Baker and Mr. Huston for acting as chauffeurs.

## J. W. A. Outing

The Junior W. A. had their annual outing on Monday, the 24th, when they attended the showing of "The Bluebird" at the Strand Theatre in Calgary. The youngsters were conveyed by cars, the Rector's and Mr. E. Bill's cars doing the work of the Good Samaritan in getting the children there and back. L. Lennson did the driving of Mr. Bill's car. After the show, the children were taken to St. George's Island where a picnic supper, bathing, and a look at the Zoo rounded out a most enjoyable day.

The J. W. A. express their appreciation to Mr. Bills for the loan of his car and to Miss Brown and Miss Gough for letting the children out of school for the afternoon.

## Induction of Rev. H. V. Ellison

The Induction Service for the Rev. H. V. Ellison, newly appointed minister to the Crossfield and District United Church, will be held in the church on Friday evening, July 5th, at 8 o'clock. Rev. G. Pibus of Carstairs will preside and Rev. J. Fawcett of Disburbury will give the address. Everybody is welcome. Come and get acquainted with Mr. Ellison and his family.

Britain fights on— while France stripped of everything bows to the enemy. Britain and the Dominions will carry on the fight until victory is achieved. Under the British blockade, the dictators are growing weaker, while Great Britain is growing stronger in every branch of her fighting units.

Let us meet our war obligations with a smile.

As the war comes home to us, let us continue to carry on with the slogan "Business as usual" we must not become weaklings and feel down and out, as we have a job to do. Let's buck up, carry on, pay and like it. On the home front too, we all have obligations to perform. We must spend considerable, not in a foolish manner but on the necessities of life, bearing always in mind the good you can do by spending in your immediate territory. Local merchants need your support, just the same as you, not so long ago, needed the assistance of the local merchant. It's a time for co-operation—we need one another so that unnecessary expenditures can be eliminated by dealing with your neighbor.

Independent members of the Alberta legislature held a meeting in Edmonton last Saturday and drafted a letter to Premier Aberhart's government disapproving of an order-in-council, passed in April, which ordered that no session of the legislature should be held before February 6, 1941. The letter from the Independent group declared that in view of the developments in the war in Europe the people should know what the Aberhart government is doing to help forward Canada's war effort. Members of the legislature, it stated, should not be dependent only on press reports for knowledge of what the government's war plans and efforts are.

The meeting demanded that Premier Aberhart should call a session of the legislature immediately in order to lay before the people's representatives its war-time plans. The members also pointed out that matters of the greatest importance connected with the reports of the Rowell commission into Dominion Provincial relations, and the McGillivray oil commission should be laid before the legislature at an early date.

"Polka," said the colored minister "the subject of my sermon this evening am 'Liars'. How many in the congregation has done read the 69th chapter of Matthew?" Nearly every hand in the audience was raised. "Dat's right," said his reverence. "You is just de folks I want to preach to. Dere is no 69th chapter of Matthew."

Any girl, says a journalist, can get any man she wants. But it takes a clever girl to get the man another girl wants.

## COAL TENDERS

The Olds School Division No. 31 is calling for tenders to supply 800 tons, more or less, first grade Drumheller coal for school requirements from September 1, 1940, to June 30, 1941. Delivery to start August 1, 1940. Specifications and inquiries may be had upon application at the Divisional Office, Didsbury. Bond of 20% of the amount of contract to be supplied by the Contractor at the time the contract is awarded. Lowest or any tender not necessarily accepted by the Board. Tenders close at noon, Saturday, July 6, 1940. 31-1

## Unemployment Insurance

From the war to the peace effort is not a long jump, since leaders everywhere, recalling the days of 1918 onwards, are concerned with alleviating the plight of workers whose jobs will end with the war.

Most important action in this regard is the decision of all provinces to co-operate with the Dominion by permitting a plan of unemployment insurance to be drawn up and put into effect immediately the British Parliament revises the B.N.A. Act.

## The World of Wheat

By H. G. L. Strange

Within the last few days Italy and most probably the whole of France will have to be included in the group of great overseas markets lost to the Canadian wheat grower. To Italy and France together in recent years Canada has exported an average of no less than 7 million bushels of wheat a year.

The temporary loss of these markets, together with others that have gone before, certainly will inflict considerable hardships on our wheat growers. However, it is wartime, and whatever the difficulties may be of the temporary loss of these markets, they are small compared to the sacrifices being endured by the people of those countries, and who will have to suffer hunger while the war lasts. Our difficulties are a small, too, compared with the acute sufferings of the people of Great Britain whose homes are being daily bombed.

There is one fundamental fact, however, we should never forget, which is that of the 2,000 million people in the world, about 700 million live in towns, cities and villages, and so cannot grow their own food. Canadian farmers, producing the highest quality of wheat—which is man's best food—will unquestionably in due course be called upon to do their share once again of feeding these many millions of hungry people.

Following factors have tended to raise price: Weather and crop news from Roumania continues unfavorable—Supplies of good seed are scarce in the Argentine—Heavy shipments of Argentine wheat to Spain and U.K. continue—Russian spring grain area is in need of moisture and prospects are unfavorable.

Following factors have tended to lower price: France is seeking an Armistice with Germany and Italy—U.S.A. winter wheat crop continues to show unexpected improvement—A substantial increase has taken place in the moisture reserves in the Prairie Provinces during the past week.

## Line Elevators Establish New Weed Service Weeds May Be Left At Elevator For Identification.

In order to assist farmers in identifying weeds, the Line Elevators have established a special weed service. Farmers who find any type of weed in their fields with which they are not familiar are invited to take it to the nearest line elevator agent. The weed will then be sent to the Agricultural Department of the North-West Line Elevators' Association for identification. In its herbarium a collection has been made of every type of weed and weed seed which grows in Western Canada. If the farmer so desires he may obtain from the Line Elevators' Agricultural Department the latest approved methods for control and eradication of the weed. This is just one of the many services provided by the Agricultural Department set up by the Line Elevator companies under the direction of Dr. K. W. Neatby, one of the outstanding agriculturists of Western Canada.

## Calgary Stampede Bigger and Better Than Ever.

A MOST INTERESTING and thrilling presentation of western sports, coupled with a splendid display of Alberta resources, will take place at the 55th annual Calgary Exhibition and Stampede to be held July 8 to 13.

The events of the week include a representative display of agricultural implements and high quality livestock, industrial, art, photographic and domestic exhibits, dog and poultry shows. The Live stock Review, a parade of live stock exhibits, will be staged on Friday morning. This feature annually attracts large crowds.

North America and Canadian championship titles are awarded for bucking horse riding, calf roping, steer decorating, wild steer and wild horse riding, wild cow milking, Indian races, and the famous chuck wagon race, running horse races to be held daily.

"Flying Colors," a gorgeous stage review, will be presented each evening in front of the grandstand following the chuck wagon race. The Indian Camp on the exhibition grounds is a great source of interest to visitors. On Friday night a dance will be given at the Cowboy Ball on Ninth avenue.

An outstanding feature of the Calgary Stampede is Canada's largest and most spectacular fireworks display, on Monday and Saturday nights. Included in Saturday night's programme is a display of gorgeously dressed Indians.

The management announces that this is the first year it has been able to invite tourists to come to Calgary with the assurance that they will thoroughly enjoy the motor trip. From Babb, Chief Mountain to Waterton Lakes, Pincher Creek, Macleod and Calgary from Spokane to Cranbrook and then via the Banff-Windermere Highway to Banff and Calgary, or via Macleod from Cranbrook, the highways are all paved except short stretches between Cranbrook and Pincher Creek. The highways from Calgary to Edmonton and from Calgary to Banff are all paved, and the highways in the mountains, Banff to Lake Louise, Yoho, Moraine Lake, Emerald Lake, are beautiful roads to drive on. The Banff-Jasper highway is to be opened July 1st, and provides additional attraction for tourists who wish to take advantage of this 140-mile drive of unexcelled scenic beauty. The Big Bend highway to be opened June 29th, completes the remaining 194 miles of the Trans-Canada highway between Calgary and Vancouver on the Pacific coast, a wonderful drive to be enjoyed for the first time in 1940.

Indications are that a large number of United States tourists will come to the Stampede and at the same time pay a visit to Canada's famous holiday ground, thus having a worthwhile visit and at the same time taking advantage of the favorable exchange rates.

This will be the last Stampede under the management of Mr. E. L. Richardson, who after many successful years as general manager, is to retire shortly.

J. Chas. Yule, the present President of the Calgary Exhibition and Stampede, has been appointed General Manager to succeed Mr. Richardson. Mr. Yule will take over his new duties next term.

## URGE CHECK-UPS ON SECOND HAND CARS

Securing of greater safety on the highways of this province again is being taken up by the Alberta Motor Association.

Decision to reiterate the need of action on the part of the provincial authorities was made at a recent meeting of the provincial board of the A.M.A. held in Edmonton.

The A.M.A. will draw to the attention of the province the need for compulsory inspection of many cars operating on the roads, particularly those of ancient vintage. Time and again it has been shown that brakes on these old or second hand cars are not in proper condition and are the cause of many accidents.

During the discussion it was brought out that in some parts of the United States a straight fee of 50 cents is collected by the state authorities for car inspections. The effect is to keep many old cars off the roads.

While Safety Lane weeks are held in some parts of this province, there was a feeling that compulsory car inspections would prove the solution for the present problem.

## Tests Pilots

**Flying Officer M. E. Ferguson**  
Joining the ranks of the R.C.A.F. as a boy under the age of 18, promoted to Flight Sergeant in 1935 and given his commission in November 1939, Flying Officer Ferguson is an example of what young men joining as Aircraftsmen, Second Class, can do. A native of Sarnia, Mr. Ferguson joined the R.C.A.F. in 1931, and after getting his wings four years later, was associated with the R.C.M.P. for two years on preventive work on the Atlantic coast. He was instructor at Trenton and Camp Borden, and then was named examining officer for pilots trained by commercial flying clubs in the Maritimes, being stationed at Halifax. Now he has been brought to Montreal to become examining officer of pilots of flying clubs in the territory of No. 3 Training Command, which extends from Halifax to Eastern Ontario.

A commercial traveller, calling upon a new customer, produced by mistake a snapshot of his fiancée instead of his business card. "That's the firm I represent," he said. The customer examined the somewhat determined looking features of the young woman and returned the photograph with the remark: "I'm afraid you'll never be manager!"

## Real Safety!

There's no better protection in the world than the arm of a London "Bobby"—especially for children—even princesses, who have fled before the onslaught of Hitler's troops. Shown above is little Princess Beatrix of the Netherlands with a London policeman looking after her, when she went for a walk in London a few days after arriving from Holland.

## Inaugurate New Service

The Greyhound Bus Lines will officially inaugurate on June 15th a new service that will take the traveller over the new National Parks route to the Pacific Coast. This route is over the Banff-Windermere Highway, via Banff, Johnston Canyon, Marble Canyon, Radium-Hot Springs, Kimberley and Cranbrook to cross the border at Kingsgate and then on to Spokane, Seattle and Vancouver, B. C.

An alternative route is via Crow's Nest Pass over which the Greyhound Service previously ran.

The new service will open to the traveller by bus, the incomparable scenic beauties of the Banff-Windermere route, with the additional advantages of passing through or stopping over, if desired, at such noted resorts as Banff, Windermere, the Fairmont Hot Springs, Radium-Hot Springs and other scenic points in the mountains along the way.

## Madden Murmurs

Mrs. Rach and Edwin were Calgary visitors over the week-end. Miss Ellen Rach returned with them to spend the summer vacation.

Miss Hazelo Havens is now at home.

Last week Mrs. Dave Farquharson left on a motor trip, with her sister Mrs. Woods, to Cooking Lake B.C.

Mrs. Wm. Gehring spent last week visiting at her home in Trochu.

Mr. and Mrs. C. Christensen and two children were visitors at the Askow home on Saturday.

Last Wednesday the Madden district turned out in full force to clean the hall. The men calomined and the women scrubbed, cleaned windows etc.

Harley Walsh has left Madden to attend local stampedes.

Mrs. Shannon and infant daughter are making a visit at the home of her parents, Mr. and Mrs. Banta while Mr. Shannon is employed on the highway near Edmonton.

A Pic Social was held in the Madden Hall on June 24th. Proceeds to go towards the school picnic.

## NOTICE

The annual meeting of the East Community Hall will be held in the Hall on Tuesday, July 2, at 8 p.m. An informal card party will be held in conjunction. Let us see you all there with the interest of your Hall at heart and help decide what will be the future of the Hall in times like these. Come and bring your cards.

The Hall Committee

Significant of Canada's growing responsibilities is the watch our troops are keeping in wide-spread territories of the Empire. There are Canadian armed forces now on duty in Newfoundland, the West Indies, Iceland and Great Britain. Further units are to be added to the force already established in Iceland. Some of the units of the Canadian Fleet have been on duty in the waters around Great Britain, some in the Caribbean and some in Newfoundland waters. In addition the defence of Canada's coasts and the protection of merchant shipping convoys has been undertaken.

## Household Hints

Care for Furniture

Wood is not a static material which needs no care to preserve it. It requires air, moisture and nourishment to keep it in condition. A room which is too dry will cause furniture to crack. A little water in an open dish in a room will often prevent this.

To keep wood from drying out too much, rub it once in a while with boiled linseed oil or wax. Apply this food sparingly, with a woolen cloth. Let it stand a few minutes until the wood absorbs some of the oil, then rub it in or off. If oil is left on the surface it will hold the dust and spoil the finish.

Place a teaspoon of moist peanut butter in the bottom of muffin rings. Pour in plain muffin batter and bake as usual.

Always beat rather than stir your cake batter. Beating introduces air into the batter; stirring makes it more solid.

If metal tips come off shoe laces, dip the ends in muckilage. This will stiffen the end and make it easy to put them through eyelets.

Never use water that has boiled before or has been standing in the kettle, to make tea. Draw fresh cold water and let it boil for the first time. Water that has boiled before tastes flat because the air has gone out of it.

A recipe worth a trial by anyone anxious to serve something different

Peanut Butter &amp; Onion

Sandwiches

1 cup peanut butter

1 4 cup mayonnaise

1 small Bermuda or Spanish onion

Beat peanut butter, add mayonnaise and spread sandwiches. Slice onion in very thin slices and put a layer of these over mixture on bread.

## Church Announcements

## Nazi Warbirds Drop Their Eggs

This photograph released by the French censor shows a French tank formation going forward in the field only to be met by five German bombers which dropped their bombs. At the left is an explosion near one of the tanks. French planes soon drove off the attackers before any of the tanks were disabled.
